

## FIELD TRIP PERMISSION FORM (4-Year Old Classes Only)

Field trips are a complement to the classroom program, particularly as young children reach the later preschool years. Two-year old and three-year old classes rarely leave the school. Four-year old classes take field trips about every three weeks. A list of pre-planned field trips has been approved by the Board, as well as spontaneous walks and rides to nearby points of interest. You will be informed by note or email of planned field trips. If you should not want your child to participate in a particular trip, please keep your child home that day.

I, \_\_\_\_\_, consent to have my child participate in walks, rides, and field trips away from the school grounds to nearby points of interest under the supervision of the teachers and participating adults for the school year 2017-2018.
